### **WHERE CAN I PIN THE GAME BOARD?**

*Here are a few options you could try:*

1) Pin it to a cork notice board and hang it up. Then put a board pin through the red dot on the tail to pin it on.

2) Selloptape or Blue Tack the game board to a wall and put Blue Tack on the back of the tail to 'pin' it on.

3) Alternatively you could tape the game board to a cushion and put a board pin through the red dot on the tail to pin it on.
